Terrace: 373.67 ft² / 34.72 m²

4 Units per
40ft Container

Total: 747.34 ft² / 69.44 m²

This model represents an optimal solution for the development of commercial spaces and plazas, offering exceptional profitability and return on investment. Featuring expansive, well-lit interiors, it provides flexibility with options for full-length windows along the façade or a blend of showcases and walls, catering to effective advertising strategies for commercial establishments, with a generous terrace on top.
