

ARTEMIS Bunker-Home

One-Bedroom 317.21 Sqft - 29.47 mt2

This comfortable model provides a private bedroom for restful moments, while offering a spacious, inviting social area for other occupants, ideal for connection, relaxation, and sharing, all within a thoughtfully designed and balanced living space.

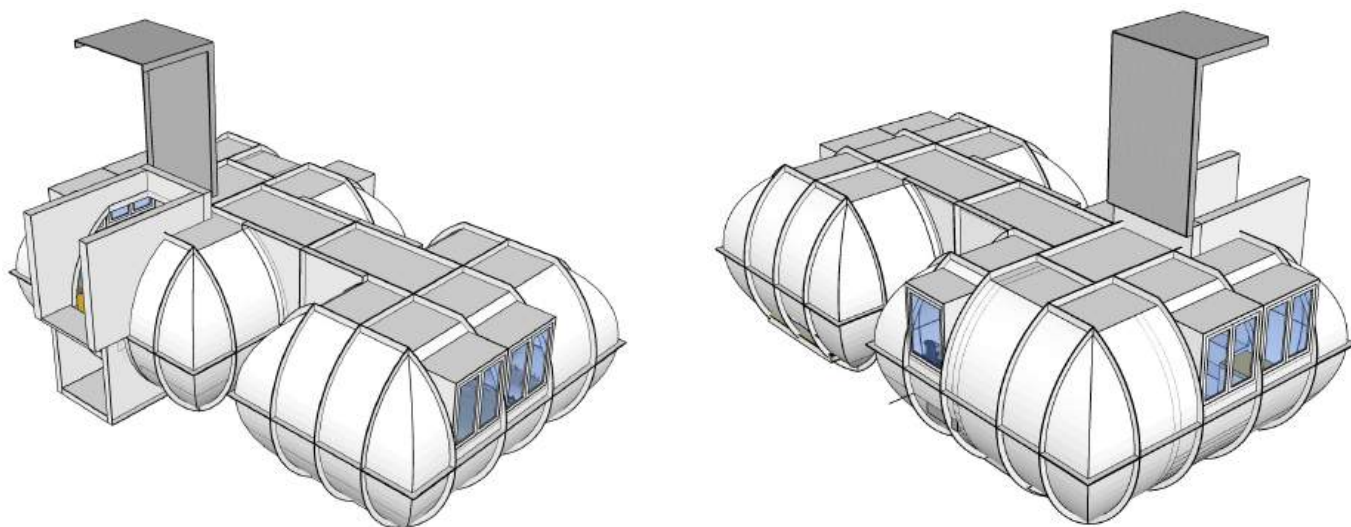

It is a living solution that combines security and well-being, expressed through a futuristic architectural language that promotes a bold, forward-thinking lifestyle. Here, practicality transforms into an experience of freedom, inviting enjoyment at every moment.

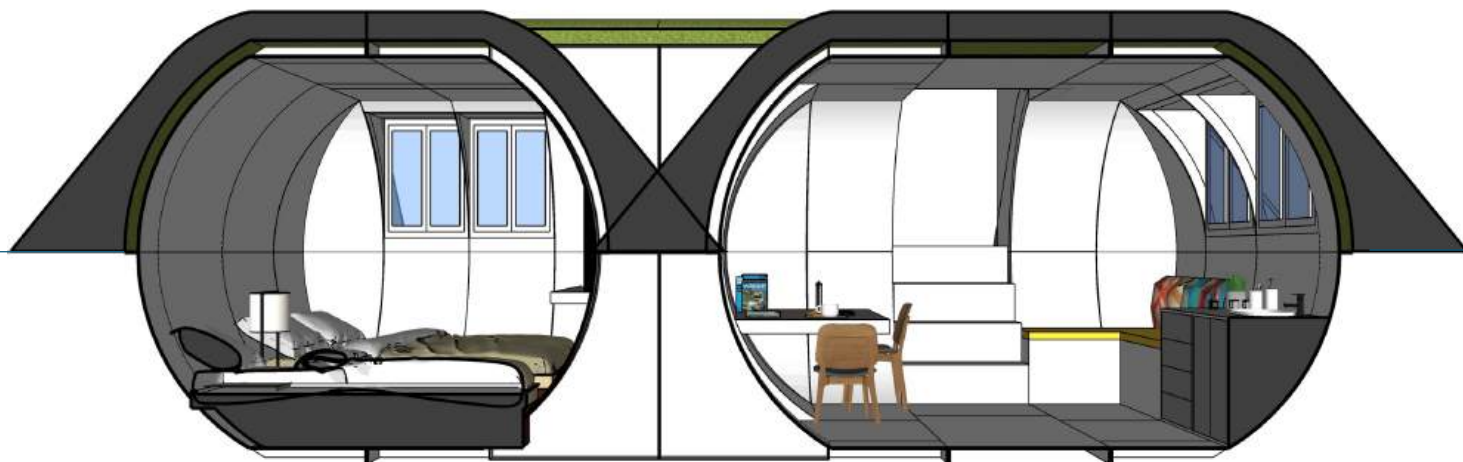

Height: 2.40 mt / 7.87 ft

This model represents a seamless fusion of futuristic architecture and advanced structural engineering, incorporating next-generation polymers to deliver an ultra-modern and highly comfortable living solution. Its innovative design ensures durability, adaptability, and efficiency, creating a living space that is not only visually striking but also exceptionally practical. The result is a low-maintenance, high-performance lifestyle within a secure and reliable environment, perfectly suited for those seeking modern comfort without compromising safety or functionality.

Note: Our bunkers are delivered without interior furnishings. Wonderful Structures provides the structural system for client assembly, including a complete set of floor plans, an Assembly Guide, and contact information for complementary technology providers. These complementary products may vary depending on the specific requirements and preferences of each client.
