

HELIOS Bunker-Home

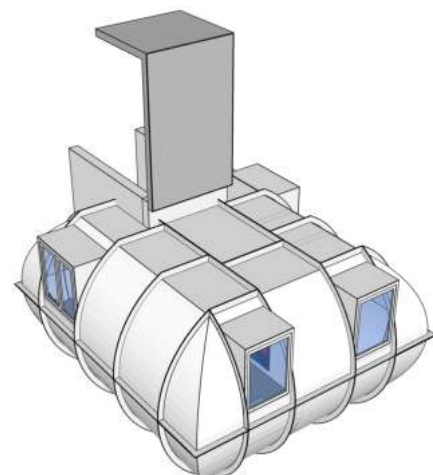

178,25 Sqft - 16.56 mt²

This modern, inviting model smartly and efficiently fulfills the essential needs of a comfortable home within a compact footprint, providing occupants with both security and comfort. It combines thoughtful design and functionality to create a cozy, safe living environment in minimal space.

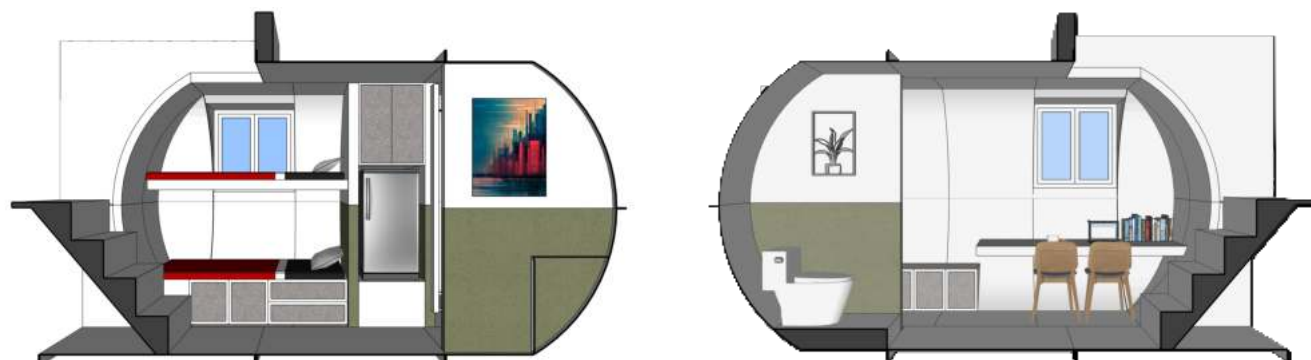

Height: 2.40 mt / 7.87 ft

Spacious, airy, and naturally lit interiors provide a blend of thoughtful design and high-end comfort, all housed within a state-of-the-art security module engineered to withstand natural forces and extreme climates, without compromising quality of life.

Its exterior can be finished in concrete or clad with any material of your choice. If preferred, it can be fully camouflaged in nature using desert sand, volcanic rock, natural vegetation, gardens, or any other finish your imagination envisions.

Note: Our bunkers are delivered without interior furnishings. Wonderful Structures provides the structural system for client assembly, including a complete set of floor plans, an Assembly Guide, and contact information for complementary technology providers. These complementary products may vary depending on the specific requirements and preferences of each client.
